Fair profile	imm cologne is the international leading trade fair for the furnishing sector. Each year, imm cologne is the first event to present the latest home trends for Europe and overseas. The unparalleled breadth and depth of the exhibits is the trademark and claim to top quality of imm cologne. Here, international trade visitors discover furniture and home style ideas from all over the world. The comprehensive programme of furniture and furnishings ranges from traditional interior suites to premium designer furniture. The products are clearly arranged by sales channels, so that exhibitors are grouped together in an effective way.
